Margaret,

I am writing to confirm our meeting scheduled on the afternoon of Wednesday, July 18th.
I will mark a tentative meeting for 1pm that afternoon. Will Ms. Saban be able to make a 1pm?

Also, how many persons representing Sims are planning to attend the meeting?

As previously mentioned, Rich Campbell will reach out to you next week to discuss preliminary comments about EPA's review of the ERA.

Looking forward to hearing from you.

Respectfully,
LT

Lawrence Torres

Subject: Meeting with Sims Metal Management re Ecological Risk Assessment

Lawrence, I am responding to your June 20 email to Matt Zeiter of Sims Metal Management regarding the meeting with EPA to discuss the Ecological Risk Assessment submitted by Sims under the Consent Decree. We apologize for the brief delay in getting back to you, but we have now confirmed the availability of our team for the meeting on July 18.

Please let me know what time you wish to begin (the afternoon may be best as Lisa Saban will be traveling from Seattle to attend the meeting). It would also be extremely helpful if you could provide me any draft or preliminary written comments or other feedback from EPA's review of the ERA so that we may be fully prepared to discuss the issues.

Thank you. Please direct all future communications regarding this matter to me.
